Interests & Experiences

Please tell us about yourself and why you want to serve.

I have lived in Stockton for 17 years and was recently looking for pathways to become more actively involved in serving the Stockton Community. My first step was to be selected to participate in "Leadership Stockton" through the Chamber of Commerce. This experience is really helping me begin to understand different avenues of service, Board participation being one of the keys of service. I have worked with people with disabilities for over 25 years. This included the men/women returning from the current conflicts. I am a disabled veteran myself. (I apologize as it looks like I am running out of time to get this application in on time, so I must stop here.) Please do see my attached resume.

Please state the reason you would like to be a member of this board/commission.

I am currently a member of "Leadership Stockton - Class of 2017." We have been encouraged to continue to serve the City of Stockton by volunteering to serve on a local Board. Adam Cheshire, CEO of Stockton Men and Women's Shelter presented to our group today. He stated that "Leadership Stockton serves as an incubator to train you for board leadership." I was very struck by his statement and feel I have a lot to offer the City of Stockton through Board membership.

Interests & Experiences

Please tell us about yourself and why you want to serve.

I would like to serve on the Mayor's Task Force because I have always been involved in community engagement and civic service. I served for 9 years for the City of Tracy Grand Theater and worked as the staff liaison for the Tracy Arts Commission. I am currently employed at the Community Center for the Blind and Visually Impaired. Giving back to our community is a vital part of who we are. Making the future bright for the next generation is our duty.

Please state the reason you would like to be a member of this board/commission.

It would be an honor to serve with Stockton's Mayor and the Mayor's Task Force. Stockton has been through many changes yet perseverance and a breath of fresh air with innovative ideas from our Mayor, Michael Tubbs have begun to take us down the right path. Being legally blind I personally believe this perspective needs to be fully explored when making decisions for our city. With my experience this would be a win-win for all.
