Interests & Experiences

Please tell us about yourself and why you want to serve.

As an investor, I spend all my work time analyzing financial statements. I think I can add value to the committee by taking a look at the revenues and expenditures and making sure we stay on track for improving the library and recreation services for Stockton residents.

Please state the reason you would like to be a member of this board/commission.

I have served for one year on this committee and am familiar with the process. I had previously served as Treasurer of the Yes on Measure M committee and I would like to make sure the money is spent the way we envisioned it when we worked on getting Measure M passed.

I have not worked full-time for 20 years. I passed the final Chartered Financial Analyst (3 years, 3 levels) exam in 1997, the same year my former employer was purchased by a larger company, allowing me to retire from full-time work. I don't think it would be useful to list my former employers from such a long ago. Hence, I have not uploaded my resume. My CFA Institute number is 231690.
