I am the President/CEO of the Business Council of San Joaquin. Our organization is a nonprofit that advocates for quality of life issues that effect our community. The areas of focus currently are infrastructure, homelessness, crime and education. I sit on both the Mayors Task Force on Low Income Housing and attended most of the SJ County Homeless Task Force Meetings. I am familiar with the funding involved in this position as well as the various needs associated with proposed allocations. In my involvement in the above committees, my role as a civic advocate through my career and being a lifelong resident of Stockton, I know most of the organizations/individuals involved and impacted by the funding allocations.

**Please state the reason you would like to be a member of this board/commission.**

---

My interest stems primarily from the concerns/issues that the City (and my council) are addressing relative to homelessness and low income housing. The annual allocation of funds to our city is significant and needs to have a representative who is knowledgeable about the two areas mentioned above.
