Hello my name is Christian and I've been a civil servant for the State of California since 2005 till present As a working-class citizen, city resident, tax payer & voter, I believe it's quintessential that everyone should play an integral role in getting involve with their community, different branches of government for example City, County or State. If you don't vote then there's no reason to complain that's my opinion.
Please state the reason you would like to be a member of this board/commission.

Occasionally, other attorneys who work in the same firm have handled employment cases, and if one of those cases happened to be representation of an employee of the City coming before the Commission, I would be prevented from taking part in that case. I have been employed by my present employer for ten years, and during that time I do not believe we have represented any employees coming before the Commission.
