## Interests & Experiences

**Please tell us about yourself and why you want to serve.**

I'm born and raised in Stockton. I've lived in several different neighborhoods throughout the city. I've attending public education in Stockton including Franklin High and Stanislaus State. I have worked in downtown for over 10 years. I like most Stocktonians see the problems with increasing crime in our city. I've noticed a long time pattern of declining safety. I believe that strong law enforcement is a integral part of a safe community. I believe that everyone should do their shared part in serving our community and helping our neighbors to make our city better for all.

**Please state the reason you would like to be a member of this board/commission.**

in my current position I am responsible for ensuring all staff follow State revenue and taxation codes. . I believe this will help in my service as I am able to remain unbiased and impartial regardless of where favour was to all.. I believe in transparency, proficiency and accountability. I would ask the hard questions and ensure that those in charge are focusing and completing the duties that were established by the voters.
