

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION TO AWARD CONTRACT FOR COMMUNITY CHOICE AGGREGATION FEASIBILITY STUDY

Following City Council's approval of motion 2019-03-19-1404, City staff successfully applied for a \$50,000 grant from Sonoma Clean Power Authority for a study to determine the feasibility of the City of Stockton developing a Community Choice Aggregation ("CCA") Program; and

City Council approved resolution 2019-08-20-1104 which appropriated \$100,000 of Air Quality Mitigation Public Facility Fee Funds to provide the required match funding for the grant from Sonoma Clean Power Authority and bolster the feasibility study; and

Acceptance of the grant funds from Sonoma Clean Power Authority committed the City to completing a feasibility study; and

City staff conducted a competitive Request for Proposal process to award a contract for a community choice aggregation feasibility study and found that MRW & Associates provided the proposal with the greatest value; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. The City Manager is hereby authorized to award a contract to MRW & Associates, LLC, in the amount of \$92,750 to complete a CCA feasibility study.
2. Approve findings pursuant to Stockton Municipal Code Section 3.68.070(A)(3) in support of an exception to the competitive bidding process.
3. The City Manager is hereby authorized to take appropriate and necessary actions to carry out the purpose and intent of this Resolution.

PASSED, APPROVED, and ADOPTED September 15, 2020.

MICHAEL D. TUBBS
Mayor of the City of Stockton

ATTEST:

ELIZA R. GARZA, CMC
City Clerk of the City of Stockton
