

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION AUTHORIZING THE ACQUISITION OF WATER LINE EASEMENTS FOR THE VETERANS AFFAIRS CLINIC OFF-SITE UTILITIES IMPROVEMENTS PROJECT (PROJECT NO. M20026)

On December 10, 2019, the City Council approved the Veterans Affairs Clinic Off-Site Utilities Improvements Project (the "Project") and associated environmental documents to facilitate the development of the U.S. Department of Veterans Affairs facility ("VA Facility"); and

To facilitate the design and construction of the water and sewer utility services for the project, the Municipal Utilities Department (MUD) will complete the design and construct connection-ready utility service to the VA Facility to secure domestic water service from City's water reservoirs at 738 West French Camp Road, San Joaquin County Assessor Parcel Number 193-060-49; and

The Project requires the acquisition of both permanent water line easements and temporary construction easements at 817 West Yettner Road to complete the final phase of the project; and

The subject water line easement and temporary construction easement is owned by The Long Family; and

Staff negotiated a suitable purchase price of \$155,000 plus closing costs for the easements; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. The City Manager is hereby authorized to acquire water line and temporary construction easements for the Veterans Affairs Clinic Off-Site Utilities Improvements Project (Project No. M20026) (Exhibit 1 – Acquisition Agreement).

//
//
//
//
//
//
//
//

2. The City Manager is hereby authorized to take whatever actions are necessary and appropriate to carry out the purpose and intent of this Resolution.

PASSED, APPROVED, AND ADOPTED October 6, 2020.

MICHAEL D. TUBBS
Mayor of the City of Stockton

ATTEST:

ELIZA R. GARZA, CMC
City Clerk of the City of Stockton
