## **RESOLUTION APPROVING AND ADOPTING THE 2021-2022 ONE-YEAR ACTION PLAN FOR THE COMMUNITY DEVELOPMENT BLOCK GRANT, HOME, AND EMERGENCY SOLUTIONS GRANT PROGRAMS**

Title I of the Housing and Community Development Act of 1974 (“Act”) finds and declares that the future welfare of the nation and the well-being of its citizens depends upon establishing and maintaining viable urban communities as social, economic, and political entities and requires systematic and sustained action by federal, state, and local governments to eliminate blight and conserve and renew older urban areas in order to improve the living conditions and environment of low- and moderate-income families and to develop new centers of population growth and economic activity; and

Of utmost importance to the welfare of the community and a vital concern under the Act with regard to persons of low- and moderate-income is eliminating slums and blight, preventing blighting influence, and preventing the deterioration of private property, neighborhoods, and community facilities; and

The elimination of conditions that are detrimental to the health, safety, and public welfare, through code enforcement, acquisition, demolition, rehabilitation assistance, community development, and related activities are vital concerns to the City of Stockton (“City”); and

In compliance with 24 C.F.R., Parts 91, 92, 570, and 576, which address the Consolidated Submission for Community Planning and Development Programs, the City prepared a Consolidated Plan for Community Development Block Grant (“CDBG”), Home Investment Partnerships (“HOME”), and Emergency Solutions Grant (“ESG”) Programs; and

The Consolidated Plan is the City’s five-year planning document for CDBG, HOME, and ESG funds, which provides an assessment of local housing conditions and a long-term strategy for addressing community needs; and

Each year, the City prepares a One-Year Action Plan, which identifies the specific activities which will be funded during that year to accomplish the goals and objectives that were established in the Consolidated Plan; and

On March 10, 2021 and March 30, 2021, the Community Development Committee reviewed and made funding recommendations to the City Council; and

//  
//  
//

On April 9, 2021, a public notice was published announcing the availability of the 2021-2022 One-Year Action Plan for public review. The Annual Action Plan contains proposed allocations and uses of CDBG, HOME, and ESG funds; the notice was published in The Record, the local newspaper of general circulation, and posted in public places, thereby beginning a 30-day period for citizens to review and comment on the draft plan; and

The City's application for funds under the CDBG, HOME, and ESG Programs, which are incorporated in the One-Year Action Plan, must be filed with the United States Department of Housing and Urban Development ("HUD") on or before May 15, 2021; and

On May 11, 2021, the City Council held a public hearing, during which staff presented an overview of the elements of the proposed One-Year Action Plan, and citizens were provided an opportunity to comment and all persons requesting to be heard were heard and their comments considered; now, therefore,
