

To proceed, please select from one of the options below. Please submit the attached addendum by **Friday, March 7th, at 5:00 PM.**

The four options for your proposal are outlined below:

Withdraw your application.

Provide proof of a C-33 Painters License or confirmation that you will work under a licensed entity.

If you select this option, please provide the license number for yourself or the entity you will be working under. If working under a licensed entity, please additionally provide a letter from the entity.

1. License Number: _____

Own License Other Entities License

Commit to obtaining a C-33 Painters License within six months of mural selection.

Mural selections will be announced on May 1st. Awardees who select this option must have fully obtained a valid C-33 Painters License no later than November 1, 2025. You cannot begin the project until the license is fully received. Failure to obtain such a license will result in the termination of the agreement, and no funds will be rewarded.

Revise your budget to request design fees only. The City would purchase your design, hire a contractor for execution, and credit you as the artist.

By selecting this option, you agree to sell the design to the city. The City would purchase the design and hire a contractor to paint it. The final artwork would be accredited to the artist who designed it. Please use the lines below to indicate the design, location, and price. Multiple lines are provided if you submitted multiple designs for different locations.
