

## **ZONE 16 IMPROVEMENTS TO BE MAINTAINED**

Certain public storm drainage improvements are to be installed by the developers as part of the Conditions of Approval for the Verona Estates project. Verona Estates Zone 16 was created to provide funding for the continued maintenance of the storm drainage facilities, which are described below.

The following improvements shall be included in Zone16 upon their completion:

1. Contech CDS 2015-4-C Hydrodynamic Separator to be maintained on Susan Way.
