# Capital Improvement Updates

- **Aquatics Renovation – Oak Park**
  - Project shortfall identified due to existing CMU walls, which were found to be in poor condition and need to be addressed.
- **Community Center Public Address System**
  - O&M is taking the lead on this one. Last update: staff conducted site walk-throughs to evaluate the facilities and scope the upgrades required for the Public Address System (conduit, brackets, etc.).
- **Central Library Renovation**
  - Continue to advance with the remodel design
