On April 14, 2026, the City Council of the City of Stockton adopted Resolution No. 2026-04-14-1210 to preliminarily approve the Annual Engineer's Report for the Fiscal Year (FY) 2026-27 (the "Annual Engineer's Report"), to provide preliminary approval of the proposed budget, and to set a public hearing for the Central Stockton Lighting Maintenance Assessment District (the "District"), pursuant to the Landscaping and Lighting Act of 1972; and

The only zone currently in the District is Zone 4, Oxford Manor, which currently comprises the entirety of the District subject to an annual assessment; and

Notice of the public hearing that was held on June 9, 2026, was duly and regularly published in The Record, in the time, form, and manner required by law as evidenced by the declaration on file with the City Clerk; and

At the Public Hearing, the City Council afforded to every interested person an opportunity to make a protest to the Annual Engineer's Report, to the maximum annual assessment, the actual FY 2026-27 assessment, to the proposed budget, or to the proposed method and proportion of assessment, either in writing or orally, and this City Council has considered each protest, if any, and all matters and things pertaining to the Annual Engineer's Report were fully heard and considered by this Council; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. Protests or objections (including all written protests not withdrawn in writing before the conclusion of the public hearing) to the proposed levy of assessments in Zone 4, Oxford Manor, have not been made by the owners of the area of assessable lands subject to more than 50 percent of the total proposed levy of assessments within the District (Zone 4, Oxford Manor), and any and all protests or objections are overruled.

adopted as the method of assessment for Zone 4, Oxford Manor, to be used to pay the costs and expenses for administration, maintenance, and operation.

3. The Council certifies that the special assessment(s), fee(s), or charge(s) as contained in the Annual Engineer's Report and to be placed on the FY 2026-27 Secured Property Tax bill by the City of Stockton are certified to meet the requirements of Proposition 218 that added Articles XIIC and XIID to the California State Constitution.

4. The assessments of the annual amount of costs and expenses for the maintenance and operation of the improvements upon the assessable lands in the District, as contained in the Annual Engineer's Report, are hereby approved and confirmed and shall be levied and collected for FY 2026-27. The assessments comply with all laws pertaining to the levy of the annual assessment (California Streets and Highways Code § 22500). The assessments are levied without regard to property valuation.
