

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION TO ALLOCATE HOMELESS HOUSING ASSISTANCE PROGRAM GRANT FUNDING FOR THE OPERATION OF THE COORDINATED ENTRY SYSTEM AND HOMELESS MANAGEMENT INFORMATION SYSTEM

The State's HHAP funds are designed to support regionally coordinated efforts between the County, Continuum of Care (CoC), and the City to expand and develop local capacity to address immediate homelessness challenges throughout the state. HHAP funds are focused on moving homeless individuals and families into permanent housing and ensuring those individuals and families maintain their permanent housing; and

The integration of Coordinated Entry Systems (CES) and Homeless Management Information Systems (HMIS) ensures that the City's homelessness response system operates efficiently, prioritizes the most vulnerable households, and maintains transparency and accountability for public funding sources; and

Continued participation in these coordinated systems supports the City's efforts to expand housing opportunities, improve service delivery outcomes, and align with regional strategies to reduce homelessness in the City and San Joaquin County; and

CES and HMIS are required by both state and federal funding sources; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. Approve and allocate HHAP funding as follows:
 - \$180,000 to Family Resource Center for a two-year contract to continue the Coordinated Entry System utilizing the 2-1-1 system, providing 24/7 access and referrals to local, state, and national resources via phone, online, and two-way text message to approximately 6,000 individuals/households annually in the homeless community.
 - \$180,000 to Central Valley Low Income Housing Corp. for a two-year contract to support regional coordination and to expand and develop local capacity to address immediate homelessness challenges through the implementation, operation and oversight of the Homeless Management Information System.

The awarded organizations must comply with City and State Department of Housing and Community Development (HCD) reporting and expenditure obligations. Funds may only be expended on HHAP eligible uses.

2. Approve findings pursuant to Stockton Municipal Code Section 3.68.070 that support an exception to the competitive bidding process.

3. Authorize the City Manager, or designee, to defund and reallocate awarded funding if the project is unable to meet the required spending obligations. If defunded, the funding is to be reallocated to eligible projects that can meet HCD timelines and general requirements.

4. Authorize the City Manager, or designee, to draft, enter into, and execute any associated documents and take whatever actions are appropriate and necessary to carry out the purpose and intent of this Resolution.
