## **Interests & Experiences**

Please tell us about yourself and why you want to serve.

My family is originally from Escalon. Growing up, three of my aunts and their families lived in Stockton. We visited often and I have very fond memories. I attended the University of the Pacific, earning a business administration degree before attending McGeorge School of Law. I have spent my career working in public. policy or for/with non-profit entities. I have lived in Stockton since 2016. I have worked with Dan Cort when he was alive and working on improving downtown. I have also donated time to the Downtown Stockton Alliance, STAND Affordable Housing, and the Humphrey Drivon School of Law Small Claims Clinic I have served on the boards of The Write Place, HATCH Workshop, and Stocktonia News Service. I have provided reduced-fee services to the Central Valley Asian Chamber of Commerce and the Yosemite Village Neighborhood Association. I believe that communities only thrive when local residents get involved and work to make the place the best it can be. I am a graduate of Leadership Stockton, class of 2019.

Please state the reason you would like to be a member of this board/commission.

I moved back here in 2016, after having purchased an older home that I restored. Stockton's neighborhoods and its downtown has a lot of potential. I have a background in law, local and state government, non-profit management, and experience with community development, economic development, and neighborhood revitalization. My experience and interest will enable me to be a thoughtful and fair representative on the Planning Commission.
