

Resolution No. CS

RESOLUTION APPROVING CHANGES TO CLASSIFICATION SPECIFICATIONS FOR FIREFIGHTER AND FIREFIGHTER ENGINEER

In accordance with Rule IV, Sec 4 of the Civil Service Rules for Police and Fire Employees, whenever a change in organization, functions, or duties of an individual position makes necessary a revision of a class specification, the Personnel Officer, or any agency selected for that purpose, shall recommend to the Commission the new or revised class specification for the rank affected. The Commission shall hold a public hearing on the proposed new class specification or revision and shall incorporate the class specification into the position classification plan; and

On November 20, 2025, the Civil Service Commission set the hearing for the proposed adoption of amendments to the Firefighter and Firefighter Engineer classification specifications for the City of Stockton, to be held on December 18, 2025, at 3:00 p.m.; and

Satisfactory proof having been made to this Commission that notice of said proposal has been given in manner and form as required by the Civil Services Rules and Regulations for Police and Fire Employees of this Commission; and

The Commission having duly conducted the public hearing and having determined that said class specifications should be amended as presented; now, therefore,

BE IT RESOLVED BY THE CIVIL SERVICE COMMISSION OF THE CITY OF

STOCKTON, AS FOLLOWS:

1. That the proposed amendments to the Firefighter and Firefighter Engineer in the Stockton Fire Department are attached as Exhibit 1 and Exhibit 2 and by reference made a part hereof, are hereby adopted.

2. That the Secretary of the Commission is directed and authorized to take all actions necessary to codify the contents and purposes of this resolution.

PASSED, APPROVED, and ADOPTED this 18th day of December 2025.

DWIGHT WILLIAMS, CHAIR
CITY OF STOCKTON
