**Interests & Experiences****Please tell us about yourself and why you want to serve.**

I want to continue serving on the Cultural Heritage Board because I believe Stockton is at a pivotal moment where preservation can both honor our history and shape our future. Too often, communities lose their identity by erasing the very buildings and spaces that define them, and I am committed to protecting Stockton from that loss. Since joining the Board, I have taken action by founding Preserve Stockton Now to help launch and sustain the city's Mills Act program, ensuring a strong framework for long-term preservation. With my current work in archaeology, my background in art history, architectural design, construction, and real estate, and my role as Director of Education at the Haggin Museum, I bring both expertise and initiative. I want to continue building on this momentum to safeguard Stockton's cultural heritage while supporting thoughtful growth.

**Please state the reason you would like to be a member of this board/commission.**

I have truly enjoyed serving as vice-chair of the Cultural Heritage Board and want to continue building on the progress we've made. I am moving from being an observer to taking action, including launching Preserve Stockton Now to help establish and support the city's Mills Act program. I bring both experience and energy to advance Stockton's preservation efforts, and I am eager to continue that work for another term.

## Interests & Experiences

**Please tell us about yourself and why you want to serve.**

I am retired after serving 30 years in the federal government. I have owned multiple vintage homes in Stockton since I moved here in 1988. I want to serve on the Cultural Heritage Board because I believe that historic preservation is very important especially in Stockton where many historic properties are located.

**Please state the reason you would like to be a member of this board/commission.**

I served on this board for 32 years. When I reapplied for a new term I was denied because a term limit was imposed on all city board and commission members. Now that the term limit for the Cultural Heritage Board has been removed I am submitting a new application. I would like to add that even though my term on the CHB has ended I have attended every meeting of the board.
