

November 18th, 2024

Chief McFadden,

I am writing to request to be considered for reinstatement as my former position with the Stockton Police Department as a Police Telecommunicator II. I had left for personal reasons seeking a better work life balance as a Dispatcher/Jailer with another agency.

During my time apart from the Stockton Police Department, I have had major life events drastically change my perspective on what is important in my life. I wish to return to the Stockton Police Department and be a part of a great team again.

I am prepared to go through the necessary steps and retraining needed to bring my skills to the same level of professionalism and performance I previously brought to the role.

I am looking forward to the opportunity to rejoin my team and support our officers with additional skills and perspective that I have developed while at another agency. I kindly request the opportunity to meet with you to discuss my reinstatement as a Telecommunicator II.

Thank you for your time and consideration.

Sincerely,

*Shelby Terrazas*
