#### **JASON TERAMOTO**

#### **PROFESSIONAL EXPERIENCE**

## The Public Trust — Managing Partner 2012 – 2022 / 2023 - 2025

Founding partner of a public-sector and policy consultancy supporting municipal, county, state, and federal clients. Oversee organizational operations, provide executive advisory services, and lead complex policy, communication, and programmatic engagements.

- Direct strategic planning, operational workflows, financial management, and business development for a multi-jurisdictional consultancy.
- Advised public-sector clients on policy initiatives, regulatory issues, program implementation, public communications, and change management.
- Lead cross-functional teams and contractors, ensuring timely delivery of research, analysis, communication products, and interagency materials.
- Developed executive briefings, public disclosures, internal memos, and stakeholder-facing communications used in high-visibility government and nonprofit settings.
- Managed organizational budgeting, compliance, logistics, resource allocation, and project prioritization across multiple concurrent engagements.

### SupplyBank.org — Director of Regulatory Affairs 2022 – 2023

Directed statewide regulatory, CEQA, permitting, and entitlement processes for the Oakport Project, a high-impact initiative supporting safety-net programs serving 6 million+ Californians. Negotiated state appropriations to 58 counties community action agencies targeting low-income families.

- Led multi-agency coordination with the City of Oakland, Alameda County, BCDC, and the State Water Resources Control Board, ensuring timely approvals, environmental compliance, and regulatory alignment.
- Oversaw CEQA review, entitlement strategy, environmental documentation, and negotiation of complex permitting milestones.
- Supervised contractor teams, managed procurement, negotiated scopes, and ensured delivery of all regulatory and project deliverables.
- Exercised full P&L ownership, strategic planning, operational oversight, and risk management for regulatory components.
- Collaborated with statewide partners, provided technical and policy guidance, and supported program advocacy across Northern and Southern California.

#### Congressional Campaign Manager 2008 – 2012

Executed multi-cycle congressional campaigns, leading operations, compliance, communications, fundraising, and regional coalition building.

- Directed daily campaign operations including FEC/FPPC compliance, budgeting, fundraising, and labor relations.
- Managed staff, interns, and volunteers; coordinated field operations; and oversaw voter engagement and data-driven targeting.
- Built strategic partnerships with local, state, and federal constituencies, including labor, advocacy groups, civic organizations, and elected officials.
- Provided daily policy analysis, data interpretation, and message development aligned with district priorities and platform consistency.
- Served as primary liaison for third-party event coordination and public appearances.

# U.S. House of Representatives — Congressional Aide / Deputy District Director 2003 – 2013

Supported district operations, policy coordination, constituent engagement, and intergovernmental liaison functions for Ranking Chair of Ways and Means Committee.

- Managed constituent casework, agency coordination, and issue resolution across federal, state, and local systems.
- Prepared policy memos, district reports, public notices, white papers, and briefings for high-stakes legislative and advocacy initiatives.
- Represented the Member at public events, agency meetings, and community functions; built durable relationships with elected officials, labor groups, and civic organizations.
- Oversaw scheduling, district office operations, workflow management, and stakeholder communication with professionalism and discretion.

#### PROFESSIONAL AFFILIATIONS

- Vice Chair, California Community Colleges Board of Governors
- Founder, California Community College Statewide Student Senate
- New Leaders Council, Alumni Fellow & Charter Committee Member
- Phi Alpha Delta UC Berkeley Chapter, Theta Class 2006
