I'm currently a Stockton resident of 4 years, and have a background in full service recruitment including compensation analysis, and marketing/public relations. I want to serve on a City of Stockton Board or Commission because I'm committed to supporting the growth, equity, and livability of our community. I believe in progressive engagement and want to contribute my skills and perspectives to help shape policies and programs that reflect the needs and values of Stockton's diverse residents. Participating in local government in this way allows me to give back, promote transparency, and help build a stronger, more inclusive city.

**Please state the reason you would like to be a member of this board/commission.**

Serving on the Board/Commission would give me the opportunity to contribute my experience, listen to diverse perspectives, and help guide decisions that shape Stockton's development and quality of life. I want to be part of Stockton that works collaboratively to address challenges, improve services, and ensure that the city remains a place where all residents can thrive.
