

**ORDINANCE NO.**

**AN ORDINANCE AMENDING TITLE 16 OF THE STOCKTON MUNICIPAL CODE (SMC) DIVISION 2, CHAPTER 16.20 ALLOWABLE LAND USES AND PERMIT REQUIREMENTS**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF STOCKTON AS FOLLOWS:

**SECTION I: FINDINGS AND INTENT**

The City Council is authorized by section 16.212.030 of the Stockton Municipal Code (SMC) to adopt amendments to Title 16 (Development Code) based on the following Mandatory Findings of Fact for Development Code Amendments.

1. Finding #1: The proposed amendment ensures and maintains internal consistency with general land uses, objectives, policies, programs, and actions of all elements of the General Plan on balance and would not create any inconsistencies with this Development Code.

Evidence: The proposed amendment is to carry out implementation of the City of Stockton 2023-2031 Housing Element program implementation and comply with State Government Code Section 65583.2, subdivisions (c) and (i) relating to a streamlined review process for development of vacant Regional Housing Needs Assessment (RHNA) opportunity sites identified in prior Housing Element cycles, and ensure consistency with the General Plan.

2. Finding #2: The proposed amendment will not endanger, jeopardize, or otherwise constitute a hazard to the public convenience, health, interest, safety, or general welfare of persons residing or working in the City.

Evidence: The purpose of the proposed amendment is to carry out implementation of the City of Stockton 2023-2031 Housing Element program and comply with State Government Code Section 65583.2, subdivisions (c) and (i) relating to a streamlined review process for development of vacant Regional Housing Needs Assessment (RHNA) opportunity sites identified in prior Housing Element cycles, and

ensure consistency with the General Plan. The amendment is within the scope and consistent with the City's General Plan Environmental Impact Report (EIR) (SCH No. 2017052062). There is no evidence or expectation that these text amendments will endanger, jeopardize, or otherwise constitute a hazard to the public convenience, health, interest, safety, or general welfare of persons residing or working in the City.

3. Finding #3: The proposed amendment complies with the California Environmental Quality Act (CEQA) and the City's CEQA Guidelines.

Evidence: On December 4, 2018, the City certified the Envision Stockton 2040 General Plan Environmental Impact Report (GPEIR) (SCH No. 2017052062). The GPEIR provides a programmatic review of the potential impacts associated with the implementation of the General Plan. The proposed amendment is to implement the City of Stockton 2023-2031 Housing Element program and comply with State Government Code Section 65583.2, subdivisions (c) and (i) relating to a streamlined review process for development of vacant Regional Housing Needs Assessment (RHNA) opportunity sites identified in prior Housing Element cycles and will not result in intensification beyond what was previously analyzed in the GPEIR. The proposed amendment will not impact the analysis or conclusions of the GPEIR. Additionally, the proposed amendment does not create any specific impacts not considered in the GPEIR, any significant impact not evaluated in GPEIR, any significant off-site or cumulative impacts not evaluated in the GPEIR, or any identified impacts more severe based on new information not known when the GPEIR was certified. Therefore, pursuant to CEQA Guidelines § 15183 the proposed amendment is compliant with the CEQA and the City's CEQA Guidelines and do not require additional environmental review.

In addition, section 16.212.030.B.2 of the Stockton Municipal Code (SMC) requires the following Findings of Fact be made for Development Code Amendments.

4. Finding #4: The proposed amendment would be internally consistent with other applicable provisions of this Development Code.

Evidence: The proposed amendment is to provide a streamlined review process for development of vacant Regional Housing Needs Assessment (RHNA) opportunity sites identified in prior Housing Element cycles and will not create any inconsistency within the Development Code. This amendment will bring the Development Code into compliance with State Government Code Section 65583.2, subdivisions (c) and (i).

## **SECTION II: AMENDMENT OF CODE**

Title 16, Division 2, Chapter 16.20, Section 16.20.020 of the Stockton Municipal Code (SMC) is amended to read, as follows:

### **16.20.020 Allowable land uses and permit requirements.**

Table 2-2 sets the land use regulations for the base zoning district. Land uses are defined in Chapter 16.250 (Use Classifications). In cases where a specific land use or activity is not defined, the Director shall assign the land use or activity that is substantially similar in character. Land use not listed in the table and not substantially similar to the uses listed are prohibited. Section numbers in the right-hand column refer to other sections of this Code. Numbers in parentheses refer to specific limitations listed at the end of the table.

- A. **Allowable Uses and Permit Requirements for the MX, UC and PT Districts.**  
The uses of land that may be allowed within the MX, UC and PT zoning districts and the land use permit requirements for each allowable use shall be identified in the master development plan applicable to the specific site. Development and zoning code requirements within the PT zoning district are subject to the approved Development Agreement (DA) the City has with the Port. Should the DA expire, be amended, or mutually terminated, existing and future land uses shall utilize the IG (Industrial, General) zoning designation to regulate development.
- B. **Overlay Zoning Districts.** Development located in overlay zoning districts shall be in compliance with Chapter 16.28 (Overlay Zoning District Land Use and Development Standards).
