## **1.0 BACKGROUND/SUMMARY**

The City of Stockton is a vibrant and diverse community located in California's Central Valley. With a population of approximately 320,000 residents, Stockton is one of the largest and most racially and ethnically diverse cities in the United States. According to recent data, the City's demographics include approximately 42.5% Hispanic, 22.3% Asian (non-Hispanic), 18.7% White (non-Hispanic), 11.8% African American, 0.3% Native American or Alaskan Native, and 0.6% Pacific Islander or Native Hawaiian.

Stockton's rich history as a port city, agricultural hub, and cultural crossroads has shaped a dynamic community with deep ties across many cultural traditions, languages, and lived experiences. The City has long been a place of both opportunity and challenge, facing complex issues related to economic development, affordable housing, public safety, health disparities, environmental sustainability, and racial and social equity.

In July 2022, the Stockton City Council adopted Resolution No. 2022-07-12-1504, formally declaring racism and inequity a human rights and public health crisis. This resolution reaffirmed the City's commitment to advancing diversity, equity, and inclusion (DEI) in its policies, practices, programs, and services. The resolution recognizes the City's responsibility to understand the impacts of past and present decisions on communities of color, low-income residents, and other historically marginalized groups – and to actively engage the community in co-creating more equitable outcomes for all Stockton residents.

Today, Stockton is committed to building an inclusive municipal culture that reflects and serves the diversity of its residents. Through this DEI consulting engagement, the City seeks to develop a roadmap for institutional change, including best practices, structures, and accountability measures that embed DEI principles throughout City government.

The City of Stockton is seeking proposals from qualified consultants or consultant teams to provide Diversity, Equity, and Inclusion (DEI) consulting services. In 2022, the City Council approved Resolution No. 2022-07-12-1504, declaring racism and inequity a human rights and public health crisis and reaffirming the City's commitment to advancing DEI in municipal policies, programs, and services.

The City now seeks professional expertise to:

1. Identify best practices, policies, and procedures for DEI implementation across City government.
2. Advise on the design and structure of a DEI Committee aligned with the Council-approved resolution and informed by community and organizational needs.

## **2.0 SCOPE OF SERVICES**

The consultant will:

- Conduct a DEI assessment of current City policies, procedures, practices, and culture.

- Research and recommend best practices for municipal DEI implementation, focusing on areas such as recruitment, retention, public service delivery, civic engagement, and leadership accountability.
- Facilitate stakeholder engagement, including but not limited to: City Council, City staff, community groups, and historically underrepresented populations.
- Develop a recommended structure and operating guidelines for a DEI Committee, including membership composition, governance, roles, and reporting.
- Provide a DEI Action Framework with prioritized recommendations, implementation steps, and success metrics.
- Identify DEI training needs and suggest an approach for ongoing City staff and leadership development.

### **3.0 PROJECT SCHEDULE OF EVENTS**

The dates indicated within this RFP are the anticipated milestones for this project. All dates are subject to change at the convenience of the City. All changes to this schedule will be posted on the City's Bid Flash platform.
