STATEMENT OF WORK

1. Project Objectives

1.1 Psychological services are needed to ensure the well-being of Stockton Police Department (Department) personnel and are a requirement for the success of the Department's Wellness Program.

2. Project Scope

The City shall have access to a licensed, specifically trained, and experienced police psychologist to ensure that the services provided reach the desired population. Contractor shall maintain all necessary licensing, certifications, education, and training required to provide psychological services to the Department personnel's unique needs.

2.1 Clinical Services

The CONTRACTOR shall provide:

2.1.1 Five (5) confidential counseling/therapy sessions to all full-time Police Officers, Telecommunicators, Evidence Identification Technicians, and Community Service Officers at no cost to the covered employee.

2.1.2 Four (4) confidential counseling/therapy sessions to dependents (spouses and minor children) of all full-time Police Officers, Telecommunicators, Evidence Identification Technicians, and Community Service Officers.

a. In some cases, the CONTRACTOR may choose to continue service to an employee if the need is considered serious and there are no other providers competently suited to provide the service. The choice to continue treatment beyond the contracted amount will be entirely at the CONTRACTOR's discretion.

b. Appointments that are not kept (no-shows) or canceled with less than 24-hour notice may be counted as one of the allotted sessions. This generally occurs only for those who repeatedly engage in such behavior, not after a single occurrence.

c. This Agreement does not apply to employees currently disabled or unable to work their regularly assigned duties, nor does it cover other employees not named above.

d. This Agreement does not cover mental health services outside of the expertise of the CONTRACTOR (i.e., medication prescription, inpatient substance abuse treatment, etc.); however, CONTRACTOR shall assist the employee or dependent in securing the needed service.

2.1.3 Individual Officer-Involved Shooting or Critical Incident Debriefing as needed when requested by Command Personnel. The debriefing will occur within a reasonable, agreed timeframe (usually within 72-120 hours post-incident) to meet the Department's demands and the employee's return-to-work schedule.

a. While usually personnel necessitating such intervention are Police Officers, other Department personnel not covered by this Agreement for confidential services are eligible based on the incident, and the request of Command Personnel.

2.1.4 Group Officer-Involved Shooting or Critical Incident Debriefing as needed when required by Command Personnel. The debriefing will occur within a reasonable, agreed timeframe (usually within 72-120 hours post-incident) to meet the Department's demands and employees' return-to-work schedules. These interventions are usually conducted in conjunction with Peer Support, and the CONTRACTOR shall work with the Wellness Unit to establish them.

a. While usually personnel necessitating such intervention are Police Officers, other Department personnel not covered by this Agreement for confidential services are eligible based on the incident, and the request of Command Personnel.

2.1.5 Emergency on-scene or telephonic response for critical incidents as requested by Command Personnel, e.g., line-of-duty death, serious employee injury, etc.

a. Appropriate follow-up as needed or requested as assessed by the CONTRACTOR or at the request of Command Personnel, e.g., follow-up visits to the hospital or at-home for injured employees.

2.2 Consultation Services:

The CONTRACTOR shall:

2.2.1 Be available for consultation to Department members for emergency and non-emergency consultation. While usually this is relegated to supervisors and Command Personnel, line staff may call as needed. Any topic within the CONTRACTOR's scope of competence may be queried, e.g., OIS policies, debriefing needs, how to obtain services for employees, case consultation, training requests, etc.

2.2.2 Direct consultation with the Wellness Unit staff about issues related to employee wellness and mental health.

2.2.3 Attend at least six (6) of the monthly Peer Support meetings.

2.2.4 Provide training for Department personnel on a variety of topics as requested.

2.2.5 Help develop and maintain the Wellness Unit's Peer Support Program's success through mentorship and education of peers on mental health issues and topics of interest. This includes consultation as needed and training at meetings on a variety of topics as requested.

In addition to Exhibit C, Section 4 and 17, Contractor agrees as follows:

- 4.1 Contractor's Services shall be performed in accordance with generally accepted professional practices and principles and in a manner consistent with the level of care and skill ordinarily exercised by members of Contractor's profession currently practicing under similar conditions. The Contractor shall comply with the profession's standard of performance, applicable laws, regulations, and industry standards. By delivery of completed work, Contractor certifies that the work conforms to the requirements of this Agreement and all applicable federal, state, and local laws. If Contractor is retained to perform services requiring a license, certification, registration, or other similar requirement under California law, Contractor shall maintain that license, certification, registration, or other similar requirement throughout the term of this Agreement.
- 4.2 Contractor acknowledges that it is entrusted with or has access to valuable and confidential information and records of the City and with respect to that information, Contractor agrees to be held to the standard of care of a fiduciary. Contractor shall ensure that all services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Contractor must provide copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Using Agency and delivered in a timely manner consistent with the requirements of this Agreement.
- 4.3 If Contractor fails to comply with the foregoing standards, Contractor must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the City does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the City's rights against Contractor either under this Agreement, at law or in equity.

5. Compensation

- 5.1 In addition to Section 3 Compensation in Exhibit C – GTC, the Contractor shall be compensated for the services provided under this Agreement as follows:

Contractor shall be compensated for services rendered and accepted under this Agreement and shall be paid monthly, in arrears on a not to exceed basis, based upon the rates set forth in Exhibit E attached hereto and made a part of this Agreement. Contractor may vary the compensation for each task in Exhibit E, provided that the total project compensation listed in Exhibit E and the Standard Agreement is not exceeded.

6. Personnel

- 6.1 None of the work or services covered by this Agreement shall be subcontracted without the prior written approval of the City. Any work or services subcontracted hereunder shall be specified by written agreement and shall be subject to each provision of this Agreement. Contractor shall provide the subcontractor a copy of this fully executed Agreement.
- 6.2 Contractor agrees to assign only competent personnel according to the reasonable and customary standards of training and experience in the relevant field to perform services under this Agreement. Failure to assign such competent personnel shall constitute grounds for termination of this Agreement. The payment made to Contractor pursuant to this Agreement shall be the full and complete compensation to which Contractor and Contractor's officers, employees, agents, and subcontractors are entitled for performance

of any work under this Agreement. Neither Contractor nor Contractor's officers or employees are entitled to any salary or wages, or retirement, health, leave or other fringe benefits applicable to employees of the City. The City will not make any federal or state tax withholdings on behalf of the Contractor. The City shall not be required to pay any workers' compensation insurance on behalf of the Contractor. Contractor shall pay, when and as due, any and all taxes incurred as a result of Contractor's compensation hereunder, including estimated taxes, and shall provide City with proof of such payments upon request.

6.3 **Key Personnel:** Because of the special skills required to satisfy the requirements of this Agreement, Contractor shall not reassign or replace key personnel without the written consent of the City, which consent the City will not unreasonably withhold. "Key Personnel" means those job titles and the persons assigned to those positions in accordance with the provisions of this Agreement. The City may at any time in writing notify Contractor that the City will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice, Contractor shall immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of key personnel is found in Exhibit A, Scope of Services.

7. Reports and Information

Contractor shall at such times and in such forms as the City may require furnish the City such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Agreement, the costs and obligations incurred or to be incurred in connection therewith, and any other matters are covered by this Agreement as specified in Exhibit A and Exhibit E.

8. Findings Confidential

All of the reports, information, data, et cetera, prepared or assembled by the Contractor under this Agreement are confidential and the Contractor agrees that they shall not be made available to any individual or organization without the prior written approval of the City. Contractor shall not be required under the provisions of this paragraph to keep confidential any data or information which is or becomes publicly available, is required by applicable law or by proper legal or governmental authority, is already rightfully in the Contractor's possession without obligation of confidentiality, is independently developed by Contractor outside the scope of this Agreement or is rightfully obtained from third parties. Contractor shall give City prompt notice of any such legal or governmental demand and reasonably cooperate with City in any effort to seek a protective order or otherwise to contest such required disclosure.

9. Copyright

No materials, including but not limited to reports, maps, or documents produced as a result of this Agreement, in whole or in part, shall be available to Contractor for copyright purposes. Any such materials produced as a result of this Agreement that might be subject to copyright shall be the property of the City and all such rights shall belong to the City, and the City shall be the sole and exclusive entity who may exercise such rights.

10. Deliverables

Contractor shall prepare or provide to the City various Deliverables. "Deliverables" include work product, such as written reviews, recommendations, reports, and analyses, produced by

Contractor for the City. The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the City made this Agreement or for which the City intends to use the Deliverables. If the City determines that Contractor has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure, or if it is possible to do so, within 30 days after receipt of notice from the City specifying the failure, then the City, by written notice, may treat the failure as a default of this Agreement. Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the City. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its commitments under this Agreement.

11. Applicable Laws

Deliverables must conform with all applicable federal, state, and local laws. Such conformity includes compliance with federal sanctions, and Contractor certifies that it has not and will not engage in prohibited transactions with sanctioned persons or entities.

Per Executive Order N-6-22, all contractors and grantees that have agreements valued at \$5 million or more with agencies/departments subject to the California Governor's authority are directed to report to their contracting or grantor agency or department regarding their compliance with economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as sanctions imposed under state law, if any.
