

# Strong Communities Program Updates

# Capital Improvement Updates

- **Ursula Meyer Library :**
  - The project is in the closeout phase and is finalizing the punch list.
  - Preparing for ribbon cutting
- **Aquatics Renovation – Oak Park**
  - Project shortfall identified due to existing Concrete Masonry Unit (CMU) walls, which were found to be in poor condition and needed to be addressed.
- **Community Center Public Address System**
  - O&M is taking the lead. Staff conducted site walk-throughs to evaluate the facilities and scope the upgrades required for the Public Address System (conduit, brackets, etc.).
