Throughout my career, I have worked to empower individuals and communities, whether through financial literacy initiatives, supporting military families, or advocating for equitable access to resources. Serving on this commission aligns with my lifelong dedication to addressing systemic barriers and promoting inclusive policies. Being a part of this commission also presents an opportunity to collaborate with like-minded professionals and community leaders to shape policies that impact lives positively. I want to use my voice and expertise to ensure that all individuals, regardless of their background, have access to fair treatment and equal opportunities in public employment.
