Interests & Experiences

Please tell us about yourself and why you want to serve.

I'm a climate justice policy advocate and dedicated supporter of Community Choice Aggregation, with deep understanding of the key regulatory issues surrounding CCAs, familiarity with legislative processes and extensive experience working with local governments.

Please state the reason you would like to be a member of this board/commission.

I'm interested in supporting policy and programmatic solutions at Ava Community Energy to reduce climate impacts, industry pollution, and high utility bills; build energy resilience for communities vulnerable to power outages; and create quality jobs in Stockton and the surrounding region, in alignment with Ava's clean energy and local development objectives.

Have you served on an advisory group before?

Yes No

How did you hear about the position?

The call for applications on the city's website was shared to me by a colleague.

City Council Policy 100-2 states that Commissioners are required to attend meetings on a regular basis. If appointed, will you be able to attend meetings regularly and devote the time necessary to fulfill your duties as a member?

Yes No

Do you or immediate family members have any relationship (professional, financial, other) that may present a potential conflict of interest for this advisory group?

Yes No

If yes, please explain

The nonprofit organization I work for may be eligible for particular programmatic funding streams from Ava Community Energy. I would recuse myself from voting on any decisions that could foreseeably have a financial impact on the organization I work for.
