

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION AUTHORIZING CONTRACT AMENDMENT NO. 1 IN THE AMOUNT OF \$52,250 WITH LUDORFF & SCALMANINI CONSULTING ENGINEERS FOR ADDITIONAL SERVICES AT WATER WELL NO. 33 (PROJECT NO. UH22005)

On December 9, 2021, the City Clerk of the City of Stockton received sealed proposals for the Implementation of a Comprehensive Well Evaluation at Water Well No. 33, (Project No. UH22005); and

Two submitted proposals were evaluated. Lohdorff & Scalmanini Consulting Engineers was found to be the most qualified proponent; and

On May 13, 2022, the City entered into a professional service contract with Lohdorff & Scalmanini Consulting Engineers in the amount of \$65,640, (Contract No. 422000713); and

This contract amount was under \$100,000 and therefore, within City Manager's delegated authority allowed by Council Resolution #11-0298; and

After initial work began, it was determined that the well was not constructed as shown on previous design drawings, which resulted in a differing site condition and a contract amendment was needed; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. Contract Amendment No. 1 in the amount of \$52,250 to Lohdorff & Scalmanini Consulting Engineers for the implementation of Comprehensive Well Evaluation at Water Well No. 33, Project No. UH22005, is hereby approved, and the City Manager is authorized and directed to execute same, a copy of which is attached as Exhibit 1 and incorporated by this reference.
