

16.2 26-0431 FY 2025-26 MID-YEAR ADJUSTMENTS

RECOMMENDATION It is recommended that the City Council approve by motion: 1. The FY 2025-26 mid-year appropriation requests that total \$6,570,152, as described in Attachment A; and 2. Establishing three (3) new full-time employees (FTEs) in the Community Services Department: 1 Marketing and Social Media Analyst II; 1 Library Manager; 1 Library Assistant II. It is also recommended that the City Council authorize the City Manager to take appropriate and necessary actions to carry out the purpose and intent of this motion.

The following person spoke to the item: Stefanie Alfaro; Yolanda Amen; Ralph White; and Alberto Gonzales

Approve **Motion 2026-04-14-1602-01** extending the meeting to midnight to finish hearing this item as well as item 16.6 then end the meeting

Moved by: Jason Lee, seconded by Mario Enríquez.

Vote: Motion carried 7-0

Yes: Christina Fugazi , Michael Blower, Brando Villapudua, Michele Padilla, Mariela Ponce, Mario Enríquez, and Jason Lee.

Approve **Motion 2026-04-14-1602-02**

1. The FY 2025-26 mid-year appropriation requests that total \$6,570,152, as described in Attachment A; and

2. Establishing three (3) new full-time employees (FTEs) in the Community Services Department: 1 Marketing and Social Media Analyst II; 1 Library Manager; 1 Library Assistant II.

Attachment C

Authorizing the City Manager to take appropriate and necessary actions to carry out the purpose and intent of this motion.

Moved by: Jason Lee, seconded by Christina Fugazi .

Vote: Motion carried 7-0

Yes: Christina Fugazi , Michael Blower, Brando Villapudua, Michele Padilla, Mariela Ponce, Mario Enríquez, and Jason Lee

City of Stockton									
FY 2025-26 Mid Year Budget Request									
						Total	6,853,373	3,299,977	3,270,175
Dept.	Name	Council Priority Area	Description of Request	Mid Year Request	One time or Ongoing	Non GF Recommendation	Non GF Funding Source	GF Recommendation	
EDD	Buckley Cove Dredging Project	Infrastructure Investment	The Buckley Cove Inlet Dredging Project will restore navigable depth within the inlet that extends from the main channel past the easternmost marina facility. Natural tidal activity moves salt water inland and causes silt to accumulate, gradually reducing the depth of the inlet. Without periodic dredging, boat mobility becomes increasingly restricted and may eventually be lost. There are three business properties located along the southern edge of the inlet, including the City operated Buckley Cove Boat Launch, which is the busiest public recreational water access point in the Stockton region. Maintaining safe and reliable access for boats is essential to support business activity, public use, and overall operational safety in this area. The total estimated cost for this project is 4.7 million dollars. A total of 2.5 million dollars has been identified to partially fund this project through the Boat Launch Fund, General Fund discretionary dollars from a prior year, and the RiverPoint Lease Agreement. The remaining funding gap is being requested as part of this proposal. Of the requested amount, 500,000 dollars is expected to be repaid to the City through the Pacific Boat Service lease agreement over a ten year period beginning in 2027.	2,200,000	One time	1,700,000	CFD Reserve	500,000	
PD	Replace Range House	Infrastructure Investment	Purchase and install new modular building to replace the existing firing range house. Estimate includes the removal and disposal of the existing structure.	750,000	One time	750,000	Measure W	-	
CSD	Library and Marketing Support		Growth in circulation and programming at libraries (City and County) requires three new additional staff to assist with expanding outreach and awareness of programs, as well as staffing to manage and provide oversight for the programs and services offered. This is an ongoing request that requires implementation as a mid-year adjustment.	431,988	Ongoing	431,988	Measure M/ SJ County	-	
CSD	Louis Park Recreation Bleachers	Infrastructure Investment	Following a recent inspection, it was determined that the existing bleachers were unsafe, did not meet ADA code requirements, and were recommended for demolition. Funding is requested to improve and install new code-compliant bleachers to ensure safe access for all.	417,989	One time	417,989	Measure M	-	
PW	Parks Maintenance and Janitorial	Infrastructure Investment	The annual cost for the Parks Maintenance Contract is \$3,398,652. This would provide funds for the cost of the contract. The City entered into a 3-year contract with Al Fresco for parks/landscape maintenance services throughout the City. FY 2025-26 is year 2 of the 3 year contract.	1,499,796	One time	-	-	1,216,575	
NON-DEPT	Legal Services		This increase in the Legal Services budget is due to increased investigations and the need for outside Counsel services.	475,000	One time	-	-	475,000	
EDD	Enhanced Services	Infrastructure Investment Expand Opportunities for Youth	The Pixie Woods Equipment Repairs/Maintenance line requires ongoing General Fund support to adequately sustain routine maintenance at the park. At mid-year, this account was over budget by more than \$50,000, due to increased landscaping costs. The department requested ongoing General Fund support during the FY2025-26 budget development process; however, the request was not approved. Pixie Woods currently has several immediate maintenance needs, including: train track repairs estimated at approximately \$50,000, replacement of the water canal gate estimated at \$30,000, which regulates and controls water inflow into the lagoon and is essential to maintaining proper lagoon water levels and overall park functionality. Additionally, the park's annual landscaping maintenance cost is \$200,000. The current available budget is insufficient to fully fund required landscaping services and other routine critical maintenance activities.	180,000	One time	-	-	180,000	
CMO	July 4th Celebration		Funding to support Fourth of July Symphony and Celebration/Christmas Parade	150,000	One time	-	-	150,000
