

Resolution No.

STOCKTON CITY COUNCIL

RESOLUTION AUTHORIZING AN AGREEMENT WITH TNB CONSTRUCTION TO PROVIDE CONSTRUCTION SERVICES FOR IMPROVEMENTS AT LOUIS PARK BOAT LAUNCH FACILITY

In July 2025, the City was awarded \$2 million in grant funding through the Department of Boating and Waterways Waterway Connections Initiative to improve safety, accessibility, and usability at the Louis Park Boat Launch facility. The project was structured into two phases, with phase one focused on permitting and preliminary design services and phase two dedicated to final design and construction; and

In September 2025, the City entered into an agreement with Anchor QEA to complete phase one, which included preliminary design and permitting services, which are currently in progress and will transition directly into phase two. Phase two of this project will include final design and construction of the identified improvements; and

On February 5, 2026, the City issued a formal bid solicitation (PUR 26-021) for phase two of the Louis Park Boat Launch improvements project, which includes final design and construction services. Three proposals were received in response to the solicitation, and TNB Construction was determined to be the lowest responsive and responsible bidder meeting the project scope requirements; now, therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

1. The City Manager, or designee, is authorized to execute an agreement with TNB Construction (Exhibit 1), in the amount of \$1.6 million, to improve the Louis Park Boat Launch facility in accordance with the Department of Boating and Waterways Grant scope.
2. The City Council authorizes a contingency reserve to address unforeseen conditions or scope adjustments that arise during construction for a total project authorization not to exceed \$2 million, and authorizes the City Manager, or designee, to approve contract amendments within the authorized contingency amount.
