Duties may include, but not limited to, the following:

- Conducts daily apparatus and equipment checks to ensure operational readiness. Promptly reports any mechanical problems to the Fire Captain.
- Drives fire apparatus to the scene of an emergency, locates apparatus appropriately, and places it into operation as directed by fire supervisory staff.
- Operates fire pumps by laying hose, calculating and monitoring hydraulics conditions; directs engine hook-up and sets up and adjusts controls to ensure proper water flow; operates aerial ladder trucks, by stabilizing truck and maneuvering, extending and retracting ladder to appropriate objectives
- Provides emergency medical care to all patients within the accredited scope of practice (EMT or Paramedic) and in accordance with the San Joaquin County Emergency Medical Services Agency protocols.
- Operates various auxiliary equipment such as auxiliary pumps, lights, saws and other power equipment during day or night-time operations; ~~sets up~~ usets up ladder-mounted and other water monitors; ~~u~~ uses hand and power tools to obtain entry to buildings, free trapped accident victims, sever or shut off utilities, and provides ventilation.
- Cleans, services and ensures operational readiness of vehicles, apparatus, hoses and equipment; troubleshoots equipment as required.
- Participates or supports specialized rescue operations such as aerial and underground situations, including the use of rigging and shoring.
- Participates in cleanup, salvage and overhaul operations.
- Participates in various staff support assignments, including, but not limited to, fire prevention, inspections of commercial and residential property, training and skills improvement,

- maintenance of inventory records and scheduled inspections of departmental equipment.
- Assists with the maintenance of station and facilities; works with the community in a variety of educational, public relations and service programs.
- Directs the work of a crew during the absence of a company officer.
- Performs all of the normal duties of a Firefighter.
- Represents the City with dignity, integrity, and the spirit of cooperation in all relations with staff and the public.
- Fosters an environment that embraces integrity, service, inclusion, and collaboration.
- Builds and maintains positive working relationships with co-workers, other City employees and the public using principles of good customer service.
- Performs related duties as assigned.

QUALIFICATIONS
