On June 26, 2024, the City advertised a Request for Proposals (RFP) for design services for the Systemic Pedestrian Safety Enhancements, Project No. WT23041/Federal Project No. HSIPL-5008(209). Two proposals were received; and

W-Trans was the more qualified and higher-ranked firm and was determined to be the most qualified firm for this project. Staff negotiated a fee in the amount of \$308,586.24 with W-Trans for design services; and

In November 2023, the Systemic Pedestrian Safety Enhancements, Project No. WT23041/Federal Project No. HSIPL-5008(209), was awarded federal Cycle 11 Highway Safety Improvement Program (HSIP) funding from Caltrans for design services. This project is 90 percent federally funded and requires a local match in the amount of \$51,260.00; and

Appropriation and transfer of funds is needed to fund all remaining costs to complete the design services and staff costs; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:
