## PLANT MAINTENANCE WORKER

### DEFINITION

Under general ~~immediate~~ supervision, performs a variety of unskilled or semi-skilled tasks in the operations and maintenance of water distribution and treatment systems, and wastewater collection and treatment systems; operates trucks, and a variety of hand and power tools and equipment; performs related work as assigned.

### CLASS CHARACTERISTICS

Plant Maintenance Worker is a single position entry-level classification in the Municipal Utilities Department. -Initially under close supervision, incumbents learn and perform a variety of duties in the maintenance of the plant and perform general labor. - These duties are performed under direct supervision provided by higher-level personnel. As additional experience and proficiency is gained, duties become more diversified and are performed under less supervision. ~~incumbents learn and perform a variety of maintenance and general labor.~~ - This class is distinguished from the Plant Maintenance Mechanic in that the later/latter is a journey-level classification fully competent to perform a wide range of mechanical maintenance duties at the treatment plant and related facilities.

### PRINCIPAL DUTIES (Illustrative Only)

Duties may include, but are not limited to, the following:

1. Cleans vehicles, heavy equipment, bar-screens, comminutors, weirs, drying beds, digesters, pumps, tools, and other stationary and portable equipment.
2. Performs routine inspection of vehicles and equipment; performs minor maintenance and lubrication of machinery such as changing oil and greasing equipment.
3. Maintains grounds and buildings; cuts grass, weeds and brush; trims trees and bushes; rakes grass, leaves and trash; seeds and cares for lawns and ornamental plantings.
4. Operates and maintains vehicles, equipment and tools required to load, unload, haul, and spread sand, gravel, dirt and/or waste products (sludge, product waste, packaging waste, etc.); digs and refills ditches and trenches.
5. Carries or holds materials, supplies, and tools to assist operations and maintenance personnel.
  - Maintains records to accurately reflect pump station and equipment operation, operational data, and work performed by private contractors.
  - Operates a boat; maintains designated waterways free of debris.
  - Represents the City with dignity, integrity, and the spirit of cooperation in all relations with staff and the public.
  - Fosters an environment that embraces integrity, service, inclusion and collaboration.
  - Be an integral team player, which involves flexibility, cooperation, and communication.
  - Builds and maintains positive working relationships with co-workers, other City employees and the public using principles of good customer service.

~~6.—Performs related duties as assigned.~~
