

MEMORANDUM

January 22, 2024

TO: C. Mel Lytle, Ph.D., Director of Municipal Utilities

FROM: Darrell Mace

SUBJECT: **REQUEST FOR REINSTATEMENT**

I am formally requesting to be reinstated to my former position with the City of Stockton Municipal Utilities Department as a Water Systems Operator/Journey Level.

I resigned my position on June 24, 2023, after 3 plus years for a position with the Zone 7 Water Agency. Unfortunately, the commute along with the organization not being a good fit for me, it has caused an undue hardship for me and my family.

I am requesting to be reinstated to my former position of Water Systems Operator/Journey Level.

Thank you for your consideration.
