

City of Stockton

ANIMAL SERVICES OFFICER

DEFINITION

Under general supervision, enforces City laws regarding stray, dangerous and nuisance domestic and wild animals; investigates complaints; patrols assigned areas; captures animals; performs other duties related to humane animal protection and services; performs related work as assigned.

CLASS CHARACTERISTICS

This is the journey-level classification in animal services, responsible for enforcing applicable regulations in a civilian capacity with limited peace officer authorities. This class is distinguished from Animal Services Assistant in that the latter class focuses on care of impounded animals and does not have field enforcement duties. This class is further distinguished from Senior Animal Services Officer in that the latter provides lead direction to the City's shelter operations.

PRINCIPAL DUTIES (Illustrative Only)

- Investigates complaints from the public and other agencies regarding nuisance, stray, uncontrolled, dangerous, wild or diseased animals.
- Conducts initial investigation of complaints regarding animal cruelty; investigates animal bites, arranging for appropriate identification and quarantine.
- Explains local laws, codes and ordinances relating to the care and services of animals, filing of complaints, and policies of the shelter to the public.
- Issues citations for violations of applicable regulations; patrols assigned areas operating City vehicles.
- Captures and confines wild, stray and unlicensed animals for impounding; removes dead animals from public and private properties; transports injured animals.
- Testifies in court regarding citations and disposition of complaints.
- Releases impounded animals to owners and processes adoption by new owners.
- Participates in the care and feeding of animals and in cleaning and maintenance of facilities at the shelter as required.
- Assists other agencies and City departments in animal services and handling.
- Maintains records and prepares daily reports.
- Operates humane traps, mobile radios, and related animal services tools and equipment.
- Identifies symptoms of common animal diseases and recommends veterinary medical care, isolation, or [euthanasia](#). ~~destruction~~
- Immobilizes animals with the use of euthanasia chemicals and equipment and euthanizes animals by injection when necessary.
- May act on a relief basis in the absence of the Senior Animal Services Officer.
- May assist the public at the counter; including answering inquiries from the public, collecting redemption, boarding and license fees; processes paperwork for release or adoption of animals.
